

HOUSE REPUBLICAN ALLIANCE RECOMMENDATION SHEET

“TRUST BUT VERIFY”

The purpose of the House Republican Alliance is to preserve and strengthen the traditional principles and values of the Republican Party through the NH House of Representatives and throughout the state of NH, including fiscal restraint, personal freedom and responsibility, small government, free enterprise and strong families. We offer the following recommendations based on those principles, the Republican Party Platform, and the NH and Federal Constitutions.

Bill Number	Committee	Committee Vote	HRA recommends
SSHB 1	Finance	OTP/A 15-10	Oppose OTP/A

THURSDAY, NOVEMBER 21

FINANCE

SSHB 1, relative to access to health insurance coverage. **OTP/A. Vote 15-10.**

HRA Analysis: This bill expands Medicaid eligibility to buttress the federal exchange for health insurance purchases. This creates the final plank in the Obamacare structure. The Platform, Part II, urges us to “Oppose the implementation of Obamacare in New Hampshire” and also to “Increase the use of market forces to improve health care and lower costs.”

HRA Recommendation: Oppose OTP/A.

This is the only bill to be considered in the Special Session, and it creates the largest single expansion of government spending in this state ever. It is important that we fight it. The HRA urges you to:

- ✓ Oppose any motion to limit debate.
- ✓ Second any request for a roll call vote.
- ✓ Support Republican amendments to the bill.
- ✓ Support procedural motions made by other HRA members.
- ✓ Oppose any vote to concur with the Senate.
- ✓ Oppose the committee amendment.
- ✓ Vote against the bill.
- ✓ Keep calm, and stay the course.
