

Bills Amended by Senate Recommendation Sheet

"Trust but Verify"

These recommendations are not official HRA recommendations and will not be scored for the HRA scorecard.

Due to the large number of bills and limited time, these recommendations are not firmly based on Platform or Constitution. These are informed opinions of many HRA members.

Thursday, May 30, 2024

HB185, (Third New Title) relative to the determination of parental rights and responsibilities based on shared parenting and requiring all municipalities and school governing bodies to post on their official website the amount of funds received by the state either by allocation or grant.

HRA Analysis: Adds in SB134 (disability pensions, new landfill permits) and SB532 (posting amount of funds received from state, deferring inspection of new vehicles, titles of vehicles over 20 years old).

This is a priority to pass shared parenting time, we've been trying for over a decade

HRA Recommendation: Concur

HB1006, relative to creating a family access motion for the enforcement of parenting plans.

HRA Analysis: Clarifies this motion with expedited timeline can only be used for substantial breaches of parenting time. Regular non-contempt motion can still be filed with the current standard timeline for non-substantial, just as they are today.

HRA Recommendation: Concur

HB274, relative to the administrative rulemaking process.

HRA Analysis: Mostly minor fixes

HRA Recommendation: Concur

HB1057, relative to provisional licenses for new applicants for state emergency medical services licensure.

HRA Analysis: Minor language change, no big deal

HRA Recommendation: Concur

HB1059, relative to the state building code.

HRA Analysis: date change, no problem

HRA Recommendation: Concur

HB1095, (New Title) relative to the administration of occupational boards by the office of professional licensure and certification.

HRA Analysis: Only minor tweaks

HRA Recommendation: Concur

HB1222, (New Title) relative to physician assistant scope of practice and establishing a committee to research physician assistant scope of practice.

HRA Analysis: More limiting than House version but OK with PAs. Study committee?

HRA Recommendation: Concur

HB1292, (New Title) relative to coverage of children under the state retiree insurance plan and relative to federal immigration enforcement.

HRA Analysis: Adds in SB563, no sanctuary cities. Basic bill is expendable.

The federal immigration bill was the senate version and we need the house language plus a change to the definitions

HRA Recommendation: request CofC

HB1307, providing a supplemental appropriation for members of the retirement system receiving an accidental disability retirement allowance.

HRA Analysis: Minor edit, no big deal

HRA Recommendation: Concur

HB1328, relative to public safety providers defined as essential services.

HRA Analysis: Minor change, clarifies that volunteers qualify

HRA Recommendation: Concur

HB1352, relative to firefighting personal protective equipment.

HRA Analysis: Minor change

HRA Recommendation: Concur

HB1385, (New Title) relative to establishing the veteran licensing acceleration program and making an appropriation therefor.

HRA Analysis: Minor changes

HRA Recommendation: Concur

HB1410, (New Title) relative to certain professional licenses and relative to the board of optometry and the regulation of optometry.

HRA Analysis: Adds in SB440, other changes minor

HRA Recommendation: Concur

HB1413, (New Title) relative to mental health supervision agreements and relative to establishing a committee to study increasing access to and accountability for mental health services.

HRA Analysis: Basic bill is fine, amendment adds a study committee.

HRA Recommendation: Nonconcur

HB1456, (New Title) relative to the appointment and removal of the members of the board of tax and land appeals and the housing appeals board.

HRA Analysis: Goes to 5 year terms

HRA Recommendation: Concur

HB1474, relative to the commission on Native American affairs.

HRA Analysis: Eliminates all but necessary quorum fix.

HRA Recommendation: Concur

HB1526, (New Title) relative to a conditional veterinary license for graduates of non-AVMA-accredited colleges of veterinary medicine.

HRA Analysis: Clarification of language

HRA Recommendation: Concur

HB1647, relative to the calculation of group II retirement benefits in the retirement system.

HRA Analysis: Limits improved pension to only one group of employees, costs less.

HRA Recommendation: Concur

HB1323, (New Title) relative to the furnishing of copies of the state constitution by the secretary of state to the public.

HRA Analysis: Corrects a typo on location of statute, no text changes

HRA Recommendation: Concur

HB322, (New Title) relative to establishing a committee to study the New Hampshire board of medicine and making an appropriation to the department of health and human services.

HRA Analysis: This adds a one-time \$750k payment to a Derry nursing home under new management, to deal with issues undisclosed by the seller.

HRA Recommendation: Nonconcur

HB1028, (New Title) establishing a commission to study the delivery of behavioral crisis services to individuals with mental illness with an impairment primarily caused by intellectual disability.

HRA Analysis: Creates study committee instead of immediate action.

HRA Recommendation: Concur

HB1303, relative to the estate of Tekeste Berhanu.

HRA Analysis: Changes allocation

HRA Recommendation: Concur

HB1568, (Second New Title) relative to reimbursement for ambulance services under the state Medicaid plan and making an appropriation therefor.

HRA Analysis: Aligns language with SB409 in House

HRA Recommendation: Concur

HB1607, relative to expanded safe haven protections.

HRA Analysis: Adds language to protect the parent, drawn from existing Good Samaritan type protections for those who call for help when people are using illegal drugs. This language hit a big hurdle in the House because it did not go before Judiciary. Senate Judiciary did the work and re-attached good language.

HRA Recommendation: Concur

HB1609, relative to the commission on the primary care workforce and the state office of rural health.

HRA Analysis: Correct the named organization to represent Direct Primary Care.

HRA Recommendation: Concur

HB1712, renewing the committee to study non-pharmacological treatment options for patients with chronic pain.

HRA Analysis: Extends committee by one year.

HRA Recommendation: Concur

HB1245, (New Title) relative to release of confidential records of a person appointed a guardian and relative to patient access to medical records.

HRA Analysis: Adds in an amended version of SB400, which allows a patient or their representative to get their medical records with a \$50 cap on electronic records and a per page cap on printed records. The records belong to the patient and are paid for as part of the visit, so shouldn't be price gouged.

HRA Recommendation: Concur

HB1432, (New Title) relative to prohibiting certain uses of deepfakes and creating a private claim of action.

HRA Analysis: Minor wording changes

HRA Recommendation: Concur

HB1589, establishing a veterans treatment court

HRA Analysis: Changes some of the references to from just the Supreme Court Chief justice, to add "or designee."

HRA Recommendation: Concur

HB1080, relative to the legislative youth advisory council.

HRA Recommendation: Concur

HB1388, (New Title) relative to ethical standards for members of the general court.

HRA Analysis:

HRA Recommendation: Request CofC

HB202, relative to property tax abatements.

HRA Analysis: Amendment adds the words "without applying the annual equalization rate" regarding telecommunications poles. Clarifies and amplifies original RSA to prevent further unnecessary lawsuits.

HRA Recommendation: Concur

HB1055, relative to the property tax exemption for charitable organizations.

HRA Analysis: Amendment removes the single word "assessors". Meant to simply and clarify

HRA Recommendation: Concur

HB1187, (New Title) relative to prohibiting lease agreements of equipment for building or facility improvements.

HRA Analysis: Amendment satisfies an industry bent on killing bill based on their incorrect analysis. By including language that does not change the intent of bill, all are content.

HRA Recommendation: Concur

HB1103, relative to revising the penalties of the shoreland protection act.

HRA Analysis: wordsmithing

HRA Recommendation: Nonconcur

HB1121, relative to creating certain wetlands permit exemptions after a natural disaster or flooding event.

HRA Analysis: tweak

HRA Recommendation: Concur

HB1554, (Second New Title) relative to certified culvert maintainer program reporting and requiring the commissioner of the department of environmental services to regulate the cutting of native aquatic vegetation on submerged lands in public waters or certain public-owned water bodies and establishing rulemaking authority for such regulation.

HRA Analysis: added section to regulate the cutting of vegetation on submerged lands

HB1613, establishing a trust fund for money from soil and water environmental contamination court settlements.

HRA Analysis:

HRA Recommendation: Concur

HB1197, (New Title) relative to criminal background checks and relative to insurance coverage for intrauterine insemination.

HRA Analysis: adds intrauterine insemination

HRA Recommendation: Nonconcur

HB1311, relative to school district collection development and reconsideration policies.

HRA Analysis: Senate attempted a compromise by requiring parental book complaint process to require school board written explanation of whether the material has been determined to be harmful to minors, age-inappropriate, or otherwise offensive. However, problem remains that materials cannot be removed on the basis of the author or of viewpoint that opens the door for school board to reject any parental complaint. Does not even make a bad bill better.

HRA Recommendation: Nonconcur

HB476, (New Title) relative to recount and audit procedures and the declaration of results of a recount.

HRA Analysis: Amendment removes the entire point of the bill, to enable the SoS to conduct a second recount after an election, based on what happened with Infantine's recount.

HRA Recommendation: request CofC

HB1596, requiring a disclosure of deceptive artificial intelligence usage in political advertising.

HRA Analysis: Minor changes

HRA Recommendation: Concur

HB468, (New Title) establishing a commission to recodify the education laws and making an appropriation therefor.

HRA Analysis: Turns the bill into a study commission to propose changes

HRA Recommendation: Request C of C

CACR13, relating to slavery and involuntary servitude. Providing that slavery and involuntary servitude shall be prohibited in the state of New Hampshire.

HRA Analysis: The Senate improved the measure by replacing the original CACR language with the exact U.S. 13th Amendment language. That language has well developed case law to guide judges' rulings. The original language has no case law behind it, which leaves interpretation wide open to a judge's discretion.

HRA Recommendation: Nonconcur

HB1573, (Third New Title) relative to out-of-home placements for children.

HRA Analysis: Replace House version with bad Senate version.

HRA Recommendation: House already (in recess) requested CofC

HB1241, (New Title) relative to the regulation of money transmitters and relative to license applications and renewals for certain consumer credit entities.

HRA Analysis: Appears to have SB553 NH Investment added, House sent to IS

HRA Recommendation: House already (in recess) requested CofC

HB1243, (New Title) revising the laws relative to retail installment sales of motor vehicles, and relative to the sale of a vehicle to a Massachusetts resident.

HRA Analysis: Adds SB510 - House attached 2 important car inspection bills to this pro-dealer

HRA Recommendation: House already (in recess) requested CofC

HB1259, (New Title) relative to property and casualty insurance laws administered by the insurance department; and making an appropriation to the department of environmental services to fund regional drinking water infrastructure.

HRA Analysis: Adds SB393 - House dramatically cut funding levels, this infrastructure investment

HRA Recommendation: House already (in recess) requested CofC

HB1358, (Second New Title) relative to tenant and contract manufacturers of beer, wine, and liquor; allowing pharmacists to administer influenza, COVID-19, and other FDA licensed vaccines without explicit approval from the general court; and, restricting the purchase of real property on or around military installations.

HRA Analysis: Adds in SB366 (Chinese land restrictions, ITL) and SB402 (pharmacist vax, we added 3 vax bills).

HB318, (Third New Title) relative to bail commissioners, the standards applicable to and the administration of bail, and making an appropriation.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB1195, relative to allowing school districts to approve different apportionment methods for school administrative unit costs.

HRA Analysis: The Senate changes the voting method which opens the door for a larger district within the SAU to out vote all the smaller districts.

HRA Recommendation: House already (in recess) requested CofC

HB1265, (New Title) relative to the penalty for failure to file school expenditure reports, relative to certain adequacy grants, and requiring mandatory reporting by school districts of school expenses.

HRA Analysis: The Senate amended the bill with SB219, which requires information on cost per pupil and administrators be made available prior to the budget vote. Some definition issues in it that need correction.

HRA Recommendation: House already (in recess) requested CofC

HB1298, relative to the definition of part-time teachers.

HRA Analysis: Senate removed some requirements for a part-time teacher that are problematic.

HRA Analysis: Senate added amendment for the DHHS pilot program.

HRA Recommendation: House already (in recess) requested CofC

HB1665, (New Title) relative to student eligibility for education freedom accounts and the scholarship organization's costs of administering the program, extending phase-out grants for education freedom accounts, and revising the definitions of average daily membership in attendance and average daily membership in residence.

HRA Analysis: Senate reduced the family income cap from 500% of fed poverty to 400%. They also extended the current phase out grants to districts when student leaves for an EFA for an added 3 years, EFA student payments for public school classes from state rather than from their EFA, reduces CSF administrative fee from 10% to 8%.

HRA Recommendation: House already (in recess) requested CofC

HB1695, relative to the release of student personally identifiable information.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB463, (New Title) relative to the establishment of an election information portal and makes an appropriation therefor.

HRA Analysis: We need to kill this bill, it is a big election integrity issue to have people registering to vote and requesting absentee ballots online

HRA Recommendation: House already (in recess) requested CofC

HB1091, relative to the financing of political campaigns.

HRA Analysis: We passed similar changes in a dupliciative SB

HRA Recommendation: House already (in recess) requested CofC

HB1313, relative to access to the voter checklist by candidates.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB1369, relative to the verification of voter rolls every 4 years.

HRA Analysis: Changes the first verification from 2027 to 2025 and changes voted in the last 4 years, to voted in the last 6 years.

HRA Recommendation: House already (in recess) requested CofC

HB1370, (New Title) relative to eliminating voter identification exceptions.

HRA Analysis: We already got this bill in the original House form as HB1569

HRA Recommendation: House already (in recess) requested CofC

HB1386, relative to prohibiting the disposal of lithium-ion batteries in solid waste landfill facilities, composting facilities, or incinerators.

HRA Analysis: minor changes to definitions

HRA Recommendation: House already (in recess) requested CofC

HB518, (New Title) relative to the administration of occupations by the office of professional licensure and certification.

HRA Analysis: Adds SB485, which was passed but treed to add HB1111- false DCYF reports. (if the underlying bill isn't a priority, we should non-concur to try to get HB1111, but will defer to Chair on that)

HRA Recommendation: House already (in recess) requested CofC

HB1079, (Second New Title) relative to critical incident stress management team members and establishing a rural and underserved area educator incentive program for higher education and making an appropriation therefor.

HRA Analysis: Adds in SB217 which was killed by House Rs.

HRA Recommendation: House already (in recess) requested CofC

HB1622, relative to administrative rulemaking and license renewals by the office of professional licensure and certification.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB1278, (New Title) relative to qualifying medical conditions for purposes of therapeutic cannabis; and relative to the summer EBT program, the SNAP elderly simplified application and the school lunch program and making appropriations therefor.

HRA Analysis: Adds in SB599 (vax=biologics) and SB499 (free food for all!) to a bill to expand therapeutic access.

HRA Recommendation: House already (in recess) requested CofC

HB1585, (Third New Title) relative to the position of certified assisted living medication aide and relative to the state loan repayment program for qualified nursing professionals, and making an appropriation therefor.

HRA Analysis: Adds in SB456 - Nurse loan forgiveness which House ITL. CALMA is medication administration assistant, new category, to let someone help with taking low risk meds.

HRA Recommendation: House already (in recess) requested CofC

HB1593, (New Title) making an appropriation to the department of health and human services to support recreational activities for individuals with developmental disabilities.

HRA Analysis: Adds SB497, a major change in how funds are sent to hospitals. While this had a NGA hearing in the Senate, this is too big a change to accept without proper review by the House.

HRA Recommendation: House already (in recess) requested CofC

HB1069, (New Title) relative to material subject to disclosure under the right-to-know law.

HRA Analysis: Bill is needed, but we need to change wording a bit. We want media to be able to get records, even if out of state, but we don't need China to be requesting bulk data at taxpayer expense.

HRA Recommendation: House already (in recess) requested CofC

HB1274, relative to judicial administration.

HRA Analysis: Amendment just adds one line to exclude assistant director for safety and security of the judicial branch from the part-time retirement definition.

HRA Recommendation: House already (in recess) requested CofC

HB1202, (New Title) relative to the issuance of permits for the alteration of driveways exiting onto public ways and relative to the definition of disability or special needs under the child care scholarship program.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB2024, (Third New Title) relative to the state 10-year transportation improvement plan; relative to adding a speed limit of 45 miles per hour on rural highways; relative to disability pensions for public safety employees who are victims of violence; and making a capital appropriation to the department of corrections toward the replacement of the New Hampshire state prison for men.

HRA Analysis: Adds in SB134 (treed with HB1620), SB471 (tabled) and SB476 (passed with red flag law treed on).

HRA Recommendation: House already (in recess) requested CofC

HB194, (Third New Title) requiring the director of the division of historical resources to compile and maintain a list of public monuments and requiring legislative approval of the amendment or permanent removal of historical markers.

HRA Analysis:

HRA Recommendation: House already (in recess) requested CofC

HB458, (New Title) reestablishing the commission to study the assessing of power generation.

HRA Analysis: A non-germane amendment vacated the original bill and established a commission on assessing of Power Generators; re establishes the commission to recommend a uniform approach to the taxation by state and municipal authorities of the 59 power generation facilities in the state.

HRA Recommendation: House already (in recess) requested CofC

HB1623, (New Title) relative to involuntary retirement or decommissioning of electricity generators.

HRA Analysis: Gutted the thrust of energy resilience provision - Non-concur

HRA Recommendation: House already (in recess) requested CofC

HB1400, (Third New Title) relative to residential parking spaces, landlord-tenant law, unauthorized occupant evictions, and zoning procedures concerning residential housing.

HRA Analysis: Omnibus bill adds several including SB538 which was killed by all but 7 R's along with many D's. Contains several parts of which a couple can not pass.

HRA Recommendation: House already (in recess) requested CofC

HB1127, (New Title) relative to the revocation and suspension of drivers' licenses and to invalidating out-of-state driver's licenses issued to undocumented immigrants.

HRA Analysis: Adds in SB358, which was killed by dems and 4 House Rs.

HRA Recommendation: House already (in recess) requested CofC
